

COMMUNITY VISION SURVEY

One must be a resident of or own a business in Van Alstyne to participate

Complete by January 26th

Our community is on the verge of growth. We live in a rapidly changing region, and it is critical to the well-being of Van Alstyne that we agree upon a vision and direction for growth. We have the responsibility to chart a path for development that will offer opportunities for existing and new businesses, services, entertainment, education, and job creation. By addressing these topics, we should be mindful of the ever changing, regional and state economy and respectful of Van Alstyne's history. Please share your constructive thoughts, ideas, and opinions on the following topics.

1. What is Van Alstyne's greatest growth challenges?

2. Where should the Economic Development Department and City be focusing their attention and resources?

3. What type of businesses or services would you like to see made available in Van Alstyne?

4. On a scale of 1-9 with 1 being of utmost importance rank the following for Van Alstyne?

___Infrastructure

___Downtown Development

___Diversifying Van Alstyne's Economy

___Available, Diverse Housing Opportunities

___Expansion of the Industrial Park

___Developing a Vision and a Brand for Van Alstyne

___Marketing Van Alstyne

___Retaining Young Professionals

___Entertainment Activities/Venues

Please offer other areas of importance if not listed above:

5. Are you willing to serve on a committee to implement programs or activities to address Van Alstyne's growth? ___YES ___NO ___ I do not have time but WILL lend my support.

Can you do so without having a personal agenda or private interest? ___YES ___NO

If you feel comfortable in doing so, please list your name and contact details.

This is not mandatory.
